No. Hq./Engg./Circular/2019-20

Dated: 25.06.2020

29

**Circular 01/2020**

Recently it has come to the notice that time period for publicity of tenders is not being followed as per the instruction issued in past vide circular number 02/2015. Such lapse lead to poor response to the NIT and lead to some time scrapping of tenders in the absences of healthy competition.

Considering the nature of works of Food Corporation of India and wide spread of godowns in urban as well as remote areas, revised time limit for publicity of tenders has been deliberated. All concerned are directed to follow time limit for publicity of tenders as detailed below between the date of publication of tender on web site and the last date of receipt of the tenders in order to have sufficient time for publicity as well as more participants for healthy competition.

- (i) **10 days** in the case of works with **estimated cost put to tender up to Rs. 50 Lakh.**
- (ii) **14 days** in the case of works with **estimated cost put to tender above Rs. 50 Lakh and up to Rs. 1.5 crore.**
- (iii) **21 days** in the case of works with **estimated cost put to tender more than Rs. 1.5 Crore.**

However, the above time limits may be varied at the discretion of the NIT approving Authority keeping in view the exigencies of work with recorded reasons. (This is further being clarified that time limit for publicity of tenders as per CPWD works manual 2019 is not to be followed for any NIT in FCI)

This issues with approval of Competent Authority.
