The Joint Secretary (Stg.),
Dept. of Food & Public Distribution,
MoCAF&PD,
Krishi Bhawan,
New Delhi

Sub: Warehouse Owners Association-representation regarding extension of time for completion of godowns with railway sidings and enabling payment of 100% rent.

- Ref: 1. MoCAF&PD letter no. 20-01/2011-FC-II (Part) dated 19.07.2013.
2. This office letter of even no. dated 12.09.2013.
3. MoCAF&PD letter no. 20-01/2011-FC-II (Part) dated 08.10.2013.

Sir,

Kindly refer to above mentioned letters on the cited subject.

As advised by MOCAF&PD, the Agenda item containing request of Warehouse Owners for extension of time for construction of railway siding godowns by at least one year from the date of relaxation in PFT policy by Railways and payment of full rent instead of 60% of sanctioned rent for non-completion of railway sidings, was placed before HLC in its 37th meeting held on 7.11.2013.

After deliberations on the issue and taking into consideration unanticipated outflow after award of the contract and delay in getting RTC / completion of siding work, HLC has decided to agree to the demand of warehouse owners for extension of one year from the date of liberalization of PFT policy by Railways and to recommend the issue to GOI for consideration and approval.

However, the request of warehouse owners for 100% of sanctioned rent instead of 60% for non-completion of railway siding work, was not agreed to by HLC being in contravention to clause 20 of MTF.

As per decision of HLC, matter is being recommended for consideration and approval of extension of one year period for godowns with railway siding.

This issues with the approval of competent authority.

Yours faithfully,

(Vijay Parashar)
